AQUÁRIO

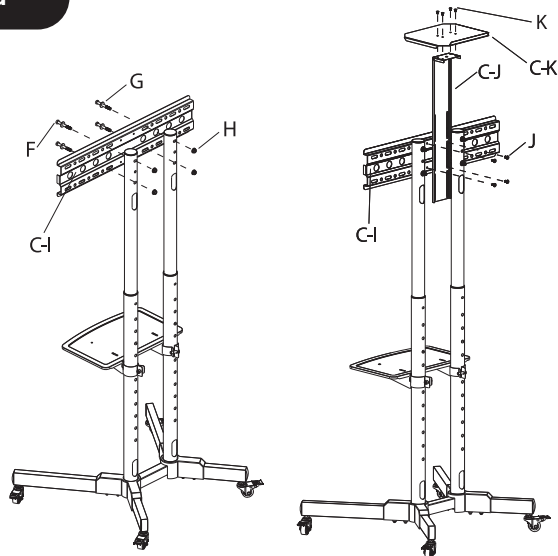

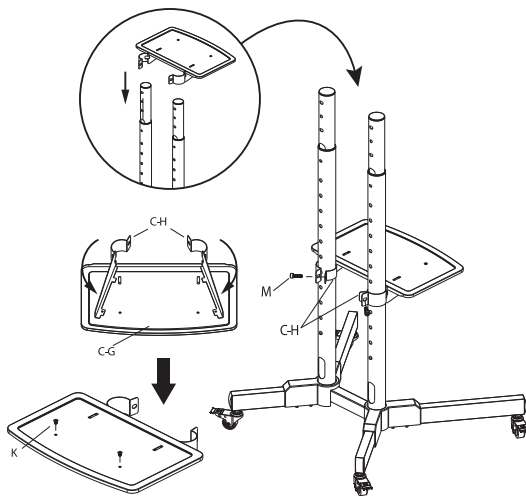

Passo a passo da instalação

Passo 1 - Anexando Rodízios à Base

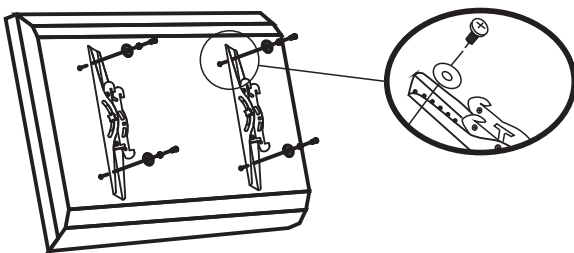

Certifique-se de que todos os parafusos estão presos usando a chave!

Passo 2 - Instalação da Haste Telescópica e Prateleira

Passo 3 - Instalação de Suporte de Montagem e Televisão

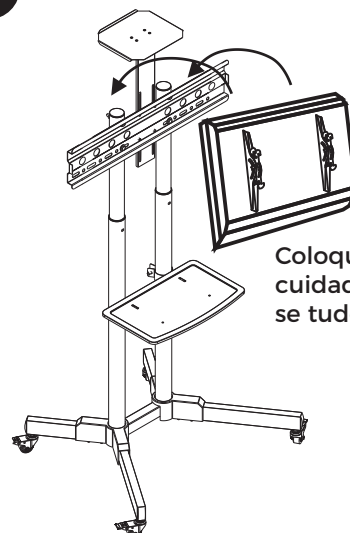

1. Este suporte móvel foi projetado para caber na maioria das televisões de tela plana de 32" a 70" com peso de até 59kg.

2. Suporta televisores com furos de montagem de até 23,6" na horizontal e 16" na vertical.

VESA: 100x100 | 200x200 | 200x300 | 300x200 | 300x300
400x200 | 400x300 | 400x400 | 600x200 | 600x400

3. Altura ajustável variando de 1100-1600mm proporciona uma visualização confortável.

Coloque a TV com cuidado e verifique se tudo está preso!
